ARTS, THEATER & MUSIC

Leavenworth loves the arts! Check out the Calendar of Events for weekly artist gatherings and shows. “Art in the Park” is Leavenworth’s longest running attraction, from May-October. Leavenworth Summer Theater begins every summer with performances at two different outdoor venues. Want to catch a live show? Head to the gazebo downtown, or one of our local restaurants and eateries. And if classical music stirs your soul, come in July when the Icicle Creek Chamber Music Festival welcomes world-class musicians all month long.

Local Map

We are a beautiful Bavarian village, nestled in the magnificent Cascade Mountain Range-on the sunny side of the state! Once a vibrant logging town teetering on the verge of extinction, the townspeople of Leavenworth, through ingenuity and perseverance, transformed the town of Leavenworth into a premier travel destination complete with old world charm.

With white winters (and wine), lush springs (and spas), crisp autumns (and pears), and warm summer sunshine, it's no surprise Leavenworth holds four seasons of fun. There's a different activity for every day of the week, and memories to be made around every corner in the Bavarian Village.

Stroll through the streets of Leavenworth to experience world-class wine, food, and beer, and wonderful shopping, all served with a side of lederhosen. Willkommen to Leavenworth!
